

WARM Philosophy Discussion Questions

These questions are designed to address topics that may arise within your group while volunteering with WARM. Please consider discussing these topics with your group prior to arrival.

How do I react when I enter a home and the person looks different than me?

How do I react when I get to a person's home and the yard has trash everywhere?

How do I react when I know someone is sick?

How do I react when the home I am working in is dirty and/or has strong odor?

How do I react when a homeowner and/or family does not seem grateful?

How do I react if a homeowner's beliefs do not align with my own?

How do I react if the homeowner has pets that are not treated as I think they should be?
